

## ALL CITY MANAGEMENT SERVICES

### Preliminary Proposed Hourly Rate

As a full service contractor, the hourly rate quoted is a fully loaded rate, meaning all of our costs are included in the proposed hourly billing rate. This would include but be not limited to; recruitment, background clearance, training, equipment, insurance, supervision and management of the **San Carlos School District** Crossing Guard Program.

**Proposed Hourly Rate:** Twenty dollars and Ninety-eight cents (**\$20.98**) per hour, per guard. This pricing is based upon 2 crossing guards compensated an average of 4.25 hours, 3 crossing guards compensated 4.0 hours and 2 crossing guards compensated 3.5 hours per day for 180 school days annually. Local field supervision and substitute guards are also included in the rate, as are all other costs except as noted below. Based upon 4,950 hours annually we project a **Not to Exceed price of \$103,917** for contract year one.

Invoices for services are mailed every two weeks. Included with each invoice is a Work Summary, which details each site, each day and the hours worked at that site. **SCSD** would only be billed for Crossing Guard services rendered on designated "school days" unless otherwise requested by the District.

The hourly rate does not include additional safety equipment, crosswalk delineators, cones or safety devices. If the District should desire any such additional equipment the additional cost would be billed to the District.
