Subject: PROPOSAL FOR SURVEYING SERVICES – 3 SITES
Location: Tierra Linda School, San Carlos

Dear Mr. Porter,

BKF is pleased to offer the following services in connection with the Tierra Linda Middle School, Dartmouth Modernization and the Dartmouth Site.

Scope of Services –

Tierra Linda Middle School Site

Topographic Survey -

BKF will tie in to the previously established control for the Tierra Linda Middle School site and expand the topographic survey and provide additional detail in order to ensure a complete design and ADA compliance in the Area of Work indicated on the attached exhibit.

Deliverables –

The finished survey will be provided in both PDF and CAD formats, stamped and signed by a licensed land surveyor.

Fee – \$5,000

Dartmouth Modernization

Topographic Survey -

BKF will tie in to the previously established control, expand the topographic survey and provide additional detail in order to ensure a complete design and ADA compliance in the Area of Work indicated on the attached exhibit. Special attention to detail will be paid to the sloped areas where new ramps, stairs and bridges are proposed.

Deliverables –

The finished survey will be provided in both PDF and CAD formats, stamped and signed by a licensed land surveyor.

Fee – \$5,000

Dartmouth Site

Topographic Survey -

BKF will tie in to the previously established control, expand the topographic survey and provide additional detail in order to ensure a complete design and ADA compliance in the Area of Work indicated on the attached exhibit.

Deliverables –

The finished survey will be provided in both PDF and CAD formats, stamped and signed by a licensed land surveyor.

Fee – \$3,000

Total Fee for all three (3) sites: \$13,000

All management, drafting and field support required to perform the above is included in this proposal.

Schedule –

BKF can begin field work within two (2) working days of the notice to proceed. The finished survey for all three (3) sites can be delivered within ten (10) working days of the completed field survey.

Exclusions/Assumptions –

Any work not included in the above scope of work is excluded from this proposal. Upon request, any other additional work shall be performed on a time and materials basis per BKF's 2015 Professional Services Fee Schedule.

Sincerely,
BKF Engineers
