ARTICLE II

DEMISING CLAUSES

Section 2.1. Lease of the Site. The District hereby leases to the Corporation, and the Corporation hereby leases from the District the Site, subject only to Permitted Encumbrances, in accordance with the provisions of this Lease, to have and to hold for the term of this Lease. Subject to any rights the District may have under the Facilities Lease (in the absence of an Event of Default) to possession and enjoyment of the Site, the District hereby covenants and agrees that it will not take any action to prevent the Corporation from having quiet and peaceable possession and enjoyment of the Site during the term hereof and will, at the request of the Corporation, to the extent that it may lawfully do so, join in any legal action in which the Corporation asserts its right to such possession and enjoyment.

ARTICLE IV

SPECIAL COVENANTS AND PROVISIONS

Neither the execution and delivery of this Lease nor the Facilities Lease, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the District is now a party or by which the District is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the District, or upon the Site, except Permitted Encumbrances.

(d) CEQA Compliance. The District has complied with all requirements imposed upon it by the California Environmental Quality Act (Public Resource Code Section 21000 *et seq.* ("CEQA")) in connection with the Project, and no further environmental review of the project is necessary pursuant to CEQA before the construction of the Project may commence.

District or the assets, properties or operations of the District which, if determined adversely to the District or its interests, would have a material and adverse effect upon the consummation of the transactions contemplated by or the validity of this Facilities Lease or upon the financial condition, assets, properties or operations of the District, and the District is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummations of the transactions contemplated by this Facilities Lease and the Site Lease or the financial conditions, assets, properties or operations of the District.

(f) Regarding Condemnation Proceedings. The District hereby covenants and agrees, to the extent it may lawfully do so, that as long as the Facilities Lease and Site Lease remain in effect, the District will not exercise the power of condemnation or eminent domain with respect to the Project. The District further covenants and agrees, to the extent it may lawfully do so, that if for any reason the foregoing covenant is determined to be unenforceable or if the District should fail or refuse to abide by such covenant and condemns or takes the Project by eminent domain, then District agrees that the appraised value of the Project shall not be less than the aggregate total of all Lease Payments provided for under this Facilities Lease, less any Lease Payment previously made; provided however, that if the taking occurs prior to the completion of the Project, Regent shall be entitled to the value of construction completed, less the value of any Tenant Improvement Payments or Lease Payments made by District.

(g) Use and Zoning. Site is properly zoned for its intended purpose and the use or activities contemplated by this Lease will not conflict with local, state or federal law.

(h) Taxes. All taxes and assessments are paid current and such taxes and assessments will continue to be paid to the extent that the District is not exempt.

(b) Authorization. The Corporation has the full power and authority to enter into, to execute and to deliver this Lease, and to perform all of its duties and obligations hereunder, and has duly authorized the execution of this Lease.

(c) No Violations. Neither the execution and delivery of this Lease or the Facilities Lease, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Corporation is now a party or by which the Corporation is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Corporation, or upon the Site, except Permitted Encumbrances.
