WHEREAS, the Series 2015 Bonds shall be issued and sold by the District on its own behalf at a negotiated sale pursuant to authorization to be obtained from the Board of Supervisors (the “Board of Supervisors”) of the County of San Mateo (the “County”); and

WHEREAS, Assembly Bill 182 (Chapter 477 of the 2013-2014 Session of the California Legislature) (“AB 182”) requires the Board of Education to be presented with (i) an analysis containing the total overall cost of any bonds that allow for the compounding of interest that are proposed to be issued, (ii) a comparison to the overall cost of current interest bonds, (iii) the reasons bonds that allow for the compounding of interest are being recommended, and (iv) a copy of the disclosure made by the underwriter of the Series 2015 Bonds in compliance with Municipal Securities Rulemaking Board Rule G-17; and

WHEREAS, in compliance with AB 182, an analysis containing the total overall cost of bonds that allow for the compounding of interest that are proposed to be issued and a comparison to the overall cost of current interest bonds have been presented to the Board of Education, the Board of Education confirms the reason for the issuance of bonds that allow for the compounding of interest is to provide sufficient and timely funds for the projects specified in the Bond Measure, and the Municipal Securities Rulemaking Board Rule G-17 submission of the underwriter of the Series 2015 Bonds has been received by the Board of Education; and

WHEREAS, this Resolution was submitted at two consecutive meetings of the Board of Education in compliance with AB 182; and

WHEREAS, as part of the Bond Measure, the voters of the District authorized the District to seek a waiver of the statutory bonding limit from the State Board of Education, and to issue authorized bonds in excess of the 1.25% limit as the State Board of Education may approve; and

WHEREAS, in order to issue these remaining bonds within the statutory bonding limit would require an unknown delay until assessed valuation can grow or outstanding bonds can be paid down in a sufficient amount; and

WHEREAS, delaying issuance of the remaining bonds foreseeably will drive the bond program off schedule, and likely increase costs significantly; and

WHEREAS, in order for the District to complete critical projects authorized by the Bond Measure in a timely and cost effective manner, the Board of Education has determined it is in the best interest of the District to issue authorized bonds in excess of the 1.25% limit pursuant to a waiver of the statutory bonding limit to be obtained from the State Board of Education; and

WHEREAS, the Board of Education has determined that securing the timely payment of the principal of and interest on the Series 2015 Bonds by obtaining a municipal bond insurance policy with respect thereto could be economically advantageous to the District; and

WHEREAS, the Board of Education has been presented with the form of each document referred to herein relating to the financing contemplated hereby, and the Board of Education has examined each document and desires to approve, authorize and direct the execution of such documents and the consummation of such financing; and

WHEREAS, the District desires that the County levy and collect a tax on all taxable property within the District sufficient to provide for payment of the Series 2015 Bonds, and intends by the adoption of this Resolution to notify the Board of Supervisors of the County, the Auditor-Controller of the County, the Treasurer and Tax Collector of the County and other officials of the County that they should take such actions as shall be necessary to provide for the levy and collection of such a tax and payment of the Series 2015 Bonds, all pursuant to Sections 15250 and 15251 of the Education Code; and

The Board of Education hereby finds and determines that, pursuant to Section 5903 of the California Government Code, the interest payable on each series of Series 2015 Bonds issued as Taxable Bonds will be subject to federal income taxation under the Code in existence on the date of issuance of such series of Series 2015 Bonds.

Section 6. Payment of Bonds. (a) *Request for Tax Levy.* The money for the payment of principal, redemption premium, if any, and interest on the Series 2015 Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the interest and sinking fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Series 2015 Bonds in such year, and to pay from such taxes all amounts due on the Series 2015 Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Series 2015 Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

(b) *Principal.* The principal of the Current Interest Bonds and the accreted value of the Capital Appreciation Bonds and the Convertible Capital Appreciation Bonds shall be payable in lawful money of the United States of America to the Owner thereof, upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) *Interest; Record Date.* The interest on the Current Interest Bonds and the Convertible Capital Appreciation Bonds after the Conversion Date shall be payable on each Interest Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Date, such interest to be paid by check or draft mailed on such Interest Date (if a business day, or on the next business day if the Interest Date does not fall on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Current Interest Bonds or Convertible Capital Appreciation Bonds after the Conversion Date who shall have requested in writing such method

of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Date.

(f) *Pledge of Taxes.* The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors of the County for the payment of Bonds of the District and amounts on deposit in the interest and sinking fund of the District to the payment of the principal or redemption price of and interest on the Bonds. This pledge shall be valid and binding from the date hereof for the benefit of the owners of the Bonds and successors thereto. The property taxes and amounts held in the interest and sinking fund shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in the interest and sinking fund to secure the payment of the Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act.

(g) *Insurance.* The payment of principal of and interest on all or a portion of the Series 2015 Bonds may be secured by a municipal bond insurance policy as shall be described in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized and directed to qualify the District for municipal bond insurance for the Series 2015 Bonds and authorize that such insurance be obtained if the present value cost of such insurance is less than the present value of the estimated interest savings with respect to the Series 2015 Bonds. The Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract. If the Authorized Officers so deem and obtain municipal bond insurance, and such insurance is issued by a mutual insurance company, the Authorized Officers are each hereby authorized and directed to enter into any required mutual insurance agreement substantially in such insurer's standard form with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of such agreement by such Authorized Officer.

Section 7. Redemption Provisions. (a) *Optional Redemption.* The Series 2015 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. (c) *Mandatory Sinking Fund Redemption.* The Series 2015 Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Series 2015 Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Series 2015 Bonds shall not be subject to mandatory sinking fund redemption. The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Series 2015 Bonds as shall be necessary to accomplish the purposes of this Section.

(d) *Notice of Redemption.* Notice of any redemption of the Series 2015 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series 2015 Bonds and the date of issue of the Series 2015 Bonds; (iii) the redemption date; (iv) the redemption price; (v) the series of Series 2015 Bonds and the dates of maturity or maturities of Series 2015 Bonds to be redeemed; (vi) if less than all of the Series 2015 Bonds of a series of any maturity are to be redeemed, the distinctive numbers of the Series 2015 Bonds of each maturity of such series to be redeemed; (vii) in the case of Series 2015 Bonds of a series redeemed in part only, the respective portions of the principal amount of the Series 2015 Bonds of each maturity of such series to be redeemed; (viii) the CUSIP number, if any, of each maturity of Series 2015 Bonds of a series to be redeemed; (ix) a statement that such Series 2015 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Series 2015 Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2015 Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2015 Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Series 2015 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2015 Bonds at the place specified in the notice of redemption, such Series 2015 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2015 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Series 2015 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Series 2015 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2015 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Series 2015 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Series 2015 Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Series 2015 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series 2015 Bonds to be redeemed upon presentation and surrender of such Series 2015 Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2015 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series 2015 Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such

time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2015 Bonds all or any part of the principal, interest and premium, if any, on the Series 2015 Bonds at the times and in the manner provided herein and in the Series 2015 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 6 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series 2015 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2015 Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2015 Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series 2015 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(i) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal or accreted value of, redemption premium, if any, or interest on the Series 2015 Bonds and remaining unclaimed for two years after the principal or accreted value of all of the Series 2015 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 8. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Education does hereby consent to and confirm the appointment of The Bank of New York Mellon Trust Company, N.A., to act as the initial paying agent for the Series 2015 Bonds. All fees and expenses of the paying agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2015 Bonds, or from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and

may be removed at any time by the County as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, the County shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* The initial Paying Agent, and any successor Paying Agent, shall designate each place or places where it will conduct the functions of transfer, registration, exchange, payment, and surrender of the Bonds, and any reference herein to the "principal corporate trust office" of the Paying Agent shall mean the office so designated for a particular purpose. If no office is so designated for a particular purpose, such functions shall be conducted at the office of The Bank of New York Mellon Trust Company, N.A. in Dallas, Texas, or the principal corporate trust office of any successor Paying Agent.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series 2015 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2015 Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2015 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District and the County in a format mutually agreeable to the Paying Agent, the District and the County.

Section 9. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for each series of the Series 2015 Bonds and the Series 2015 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of each series or subseries of the Current Interest Bonds, the Capital Appreciation Bonds and the Convertible Capital Appreciation Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2015 Bonds of a series or subseries maturing in a single year or, if Series 2015 Bonds of the same series or subseries maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2015 Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository;

provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2015 Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Series 2015 Bond for each maturity shall be executed and delivered (in the case of Current Interest Bonds, in the aggregate principal amount of such Current Interest Bonds then outstanding, in the case of Capital Appreciation Bonds, in the aggregate maturity value of such Capital Appreciation Bonds then outstanding, and in the case of Convertible Capital Appreciation Bonds, in the aggregate accreted value at the Conversion Date of such Convertible Capital Appreciation Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Series 2015 Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Series 2015 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Series 2015 Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Series 2015 Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) In the case of partial redemption or an advance refunding of the Series 2015 Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series 2015 Bonds indicating the date and amounts of such reduction in principal.

(d) The District and the Paying Agent shall be entitled to treat the person in whose name any Series 2015 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2015 Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2015 Bonds.

(e) So long as the outstanding Series 2015 Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede &

Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2015 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 10. Transfer and Exchange. (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Series 2015 Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2015 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2015 Bond or Series 2015 Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2015 Bond or Series 2015 Bonds, of the same maturity, Interest Date and interest rate (in the case of Current Interest Bonds, for a like aggregate principal amount, in the case of Capital Appreciation Bonds, for a like aggregate maturity value, and in the case of Convertible Capital Appreciation Bonds, for a like aggregate accreted value at the Conversion Date). The Paying Agent may require the payment by any Owner of Series 2015 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2015 Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2015 Bonds for redemption, and (ii) after any Series 2015 Bond has been selected for redemption.

(b) *Exchange.* The Series 2015 Bonds may be exchanged for Series 2015 Bonds of other authorized denominations of the same maturity, Interest Date and interest rate, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2015 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2015 Bond or Series 2015 Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2015 Bond or Series 2015 Bonds of the same maturity and interest payment mode and interest rate (in the case of Current Interest Bonds, for a like aggregate principal amount, in the case of Capital Appreciation Bonds, for a like aggregate maturity value, and in the case of Convertible Capital Appreciation Bonds, for a like aggregate accreted value at the Conversion Date). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2015 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2015 Bonds for redemption, and (ii) after any Series 2015 Bond has been selected for redemption.

Section 11. Bond Purchase Agreement; Sale of Bonds. The form of Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the interest rate on the Current Interest Bonds and, from and after their Conversion Dates, the Convertible Capital Appreciation Bonds, shall not exceed 8.00% per annum, (b) the Capital Appreciation Bonds and, to their Conversion Dates, the Convertible Capital Appreciation Bond, shall accrete in value at a compounded interest rate not to exceed 8.00% per annum, (c) the ratio of total debt service to principal of the Series 2015 Bonds shall not exceed four to one, (d) the estimated change in the assessed value of taxable property within the District over the term of the Series 2015 Bonds assumed in the structuring of the Series 2015 Bonds shall not exceed 5.00%, (e) the Underwriter's discount for the sale of Series 2015 Bonds shall not exceed 0.40% of the principal amount of such Series 2015 Bonds exclusive of any costs of issuance the Underwriter contracts to pay, and (f) the Series 2015 Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Series 2015 Bonds, and with respect to the Current Interest Bonds, shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof, if any, with respect to the Capital Appreciation Bonds, shall recite the date thereof, the initial principal amounts, maturity dates, and maturity values of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof, if any, and with respect to the Convertible Capital Appreciation Bonds, shall recite the date thereof, the initial principal amounts, Conversion Dates, maturity dates, and stated value at the Conversion Date of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional, extraordinary and mandatory sinking fund redemption thereof, if any.

The Board of Education hereby finds and determines that the sale of the Series 2015 Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, and ability to implement the sale in a shorter time period, an increased ability to structure the Series 2015 Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriter to pre-market the Series 2015 Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Estimates of the costs associated with the issuance of the Series 2015 Bonds, including any such costs which the Underwriter may agree to pay pursuant to the Bond Purchase Agreement, are set forth on Exhibit D attached hereto and incorporated herein.

In accordance with Section 15146(h) of the Education Code, to the extent not contracted to be paid by the Underwriter, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth

in Section 8, as cost of issuance administrator, proceeds of sale of the Series 2015 Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Series 2015 Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Series 2015 Bonds.

In accordance with subsections (i) and (j) of Section 15146 of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the interest and sinking fund of the District proceeds of sale of the Series 2015 Bonds (in addition to any premium or accrued interest received) to fund (i) an annual reserve permitted by Section 15250 of the Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Series 2015 Bonds for a period of two years from the date of issuance of the Series 2015 Bonds, as shall be set forth in the Bond Purchase Agreement, if any such a deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

Section 12. Continuing Disclosure Certificate. The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, as is necessary to cause the requirements of Rule 15c2-12 to be satisfied, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such determination, requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 13. Preliminary Official Statement. The Preliminary Official Statement to be distributed in connection with the public offering of the Series 2015 Bonds, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of the Series 2015 Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 14. Official Statement. The preparation and delivery of an Official Statement with respect to the Series 2015 Bonds, and its use by the Underwriter in connection with the offering and sale of the Series 2015 Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of the Series 2015 Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement with respect to the Series 2015 Bonds and any amendment or supplement thereto and thereupon to cause such final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 15. Investment of Proceeds. All funds held in the interest and sinking fund of the District shall be invested at the discretion of the Treasurer of the County. In the absence of written request from the District, proceeds of the Series 2015 Bonds held in the building fund of the District shall be invested at the sole discretion of the Treasurer of the County pursuant to State law, including Government Code Section 53601 *et. seq.*, as the same may be amended or supplemented from time to time, and the investment policy of the County.

Section 16. Tax Covenants. (a) The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on a Tax-Exempt series of Series 2015 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of each Tax-Exempt series of Series 2015 Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Series 2015 Bonds.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer of the County on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer in writing, and the District shall make its best efforts to ensure that the Treasurer shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provision of this Section, if the District shall provide to the Treasurer of the County an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Series 2015 Bonds under Section 103 of the Code, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of each Tax Certificate with respect to the Series 2015 Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 17. Professional Services. Keygent LLC shall serve as financial advisor to the District for the Series 2015 Bonds. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and disclosure counsel to the District for the Series 2015 Bonds. Stifel, Nicolaus & Company, Incorporated shall serve as underwriter for the Series 2015 Bonds.

Section 18. Delegation of Authority. The Authorized Officers are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, without limitation negotiating the terms of the insurance policy, if any, referred to herein.

Section 19. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 20. Filing with County. The Superintendent, or such other officer or employee of the District as the Superintendent may designate, is hereby authorized and directed to report to

the Auditor-Controller of the County the final terms of sale of the Series 2015 Bonds, and to file with the Auditor-Controller and with the Treasurer of the County a copy of each executed Bond Purchase Agreement and this Resolution, and the schedule of amortization of the principal of and payment of interest on the Series 2015 Bonds, and to file with the Treasurer of the County a proposed schedule of draws on the building fund of the District, and this Resolution shall serve as the notice required to be given by Section 15140(c) of the Education Code and as the District's request to the Auditor-Controller of the County and the Board of Supervisors of the County to propose and adopt in each year a tax rate applicable to all taxable property of the District for payment of the Series 2015 Bonds, pursuant to law; and to the other officers of the County to levy and collect said taxes for the payment of the Series 2015 Bonds, to pay in a timely manner to the Paying Agent on behalf of the Owners of the Series 2015 Bonds the principal, interest, and premium, if any, due on the Series 2015 Bonds in each year, and to create in the County treasury to the credit of the District a building fund and an interest and sinking fund pursuant to Section 15146 of the Education Code.

Section 21. Indemnification of County. The District shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of any resolution by the Board of Supervisors of the County authorizing the District to issue and sell the Series 2015 Bonds without the further action of the Board of Supervisors pursuant to Sections 15140 and 15146 of the Education Code, as permitted by Section 53508.7 of the Government Code. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

Section 22. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every owner of Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 23. Amendments. This Resolution may be modified or amended without the consent of the Owners in order to cure ambiguities or provide clarification, provided that such modification or amendment does not materially adversely affect the rights of owners of Bonds. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Series 2015 Bonds then outstanding; provided that any such modification or amendment to Section 6(f) or Section 22 shall require the consent of the owners of a majority of the aggregate principal amount of all Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or redemption premium on or principal amount of any Series 2015 Bond or reduce the percentage of consent required for amendment hereof without the express consent of all the owners so affected.

Section 24. Interpretation. The terms of this Resolution shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the issuance of the Series 2015 Bonds in accordance with the terms set forth in this Resolution.

Section 25. Effective Date. This Resolution shall take effect from and after its date of adoption.

PASSED AND ADOPTED this day, October 8, 2015.

Capitalized undefined terms used herein have the meanings ascribed thereto in the Resolution.

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of The Bank of New York Mellon Trust Company, N.A., the paying agent/registrar and transfer agent of the District (the "Paying Agent"). The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check or draft mailed to such Registered Owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Current Interest Bonds aggregating at least

\$1,000,000 in principal amount, interest will be paid by wire transfer in immediately available funds to an account maintained in the United States as specified by the Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Bond, payment shall be made in immediately available funds as provided in the Resolution hereinafter described.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, interest payment modes, maturities and redemption provisions), in the aggregate principal amount of \$_____, and designated as "San Carlos School District (San Mateo County, California) General Obligation Bonds, Election of 2012, Series 2015" (the "Bonds"). The Bonds were authorized by a vote of at least 55% percent of the voters voting at an election duly and legally called, held and conducted in the District on November 6, 2012. The Bonds are issued and sold by the Board of Education of the District pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, and of the Resolution, and subject to the more particular terms specified in the Bond Purchase Agreement, dated _____, 2015 (the "Bond Purchase Agreement"), by and between the District and Stifel, Nicolaus & Company, Incorporated, as underwriter.

The Current Interest Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Current Interest Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same tenor, interest payment mode, and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same tenor, interest payment mode, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

[The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the Resolution and the Bond Purchase Agreement. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.]

The Board of Education of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Bond; and that this Bond is in substantially the form prescribed

by order of the Board of Education duly made and entered on its minutes. The Bonds represent an obligation payable out of the interest and sinking fund of the District, and the money for the payment of principal of, premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

IN WITNESS WHEREOF, the Board of Education of the San Carlos School District, County of San Mateo, State of California, has caused this bond to be signed by its President and countersigned by the Clerk of said Board, as of the date set forth above.
