# **LCAP Process, Progress & Strategic Plan Survey Results**

## **A Second Trimester Review**

— Mary Jude Doerpinghaus and  
Tom Keating —

---

---

March 24, 2016

## Overview of Tonight's Presentation

- Review the LCAP process and progress to date
  - Discuss Next Steps of LCAP process
  - Review Strategic Plan (Panorama) Survey Results
  - Discuss Next Steps for Panorama Survey
  - Discuss Board's Requests of Staff for Deeper Analysis
-

## LCAP Goals

Goal 1: Alignment of Assessment and Curriculum resources to support student progress on the Standards & 5 C's

Goal 2: Continue Tech-Infused PBL as means to implement depth and rigor of CCSS, NGSS and whole child

Goal 3: Design new structures to support transition to P-3, 4-5, 6-8 configurations

Goal 4: Develop plans to support students in Personalized Learning process (especially Math, Homework and World Languages)

Goal 5: Engage parents in above goals and leverage them as resources to fulfill vision of “educators broadly defined”

## Goal 1: Alignment and Curriculum resources

- Assessment and Curriculum Mapping
  - Illuminate
  - Habits of Mind (5C's and Ownership) Rubrics
  - Sequoia Healthcare Wellness evaluation
  - Second Step Assessment
  - Exploring digital portfolios platforms
  - Exploring computer adaptive assessment tools
-

## Goal 2: Tech-Infused PBL

- Professional Development
  - CCSS Aligned Math Materials & practices
  - CCSS Aligned ELA curriculum
  - NGSS
  - PBL Support Sessions, Collaboration with SMCOE
  - Innovation Celebration
-

## Goal 3: P-3, 4-5, 6-8 Transition

- Wellness support & Sustainability Champions
  - Preschool→ TK→ K Conversations/Observations, Staff Meeting & Preschool-Elementary “hand off” practices
  - Alternative learning spaces/environments/recess
  - Weekly construction meetings-8/10 completion
  - 4/5 planning is ongoing (including assessment reporting)
  - Exploring alternatives including walking club
  - CMS/Arroyo co-planning and aligning schedules
  - TL & CMS master schedule pilots for new master schedule
-

## Goal 4: Personalized Learning (Math, Homework and World Languages)

- Math Pilots
  - Middlebury World Language Blended approach
  - Homework Conversations
  - EL online programs
  - Special Education pilots
-

## Goal 5: Engage parents and leverage resources of “educators broadly defined”

- Database
  - Healthy Cities Tutoring model
  - PIE nights, website enhancements
  - Newsletters (social emotional, wellness)
  - Community resource for Foster Youth and Homeless
  - Attendance Campaign
  - Panorama Survey
    - Increased participation overall
    - Students: Increase in student engagement, sense of belonging
    - Parents: increase in rigor
    - Staff: increase in technology
- 

# Attendance Campaign

- Arundel: + 1.0%
  - Heather: + 0.9%
  - Brittan Acres: + 0.4%
  - White Oaks: + 1.0%
  - Central: + 0.8%
  - Tierra Linda: + 0.7%
  
  - OVERALL: + 0.8%
-

## NEXT STEPS with LCAP

- Staff continue to engage site staff, site councils, PTA and subgroups
  - Students involvement in process (middle schools)
  - Meet with SMCOE Technical Assistance Team 3/30
  - SEDAC (Special Education District Advisory) 4/1
  - DELAC (District EL Advisory) 4/18
  - Admin Council 4/22 Draft
  - Accordion process early May
  - Finalize end of May
  - Post early June & approve end of June
-

# Strategic Plan Surveys

# Strategic Plan Survey Response Rates

<b>Survey</b>	<b>Percent /Number Respondents 2015</b>	<b>Percent/Number Respondents 2016</b>	<b>Change in Percent Respondents</b>
<b>Student</b>	82% (1667)	88% (1837)	+6%
<b>Family</b>	11% (668)	14% (897)	+3%
<b>Staff + Teachers</b>	59% (200)	62% (212)	+3%
<b>Staff</b>		52% (98)	
<b>Teachers</b>		71% (114)	

# Example of Topic Averages were Computed - Family Communication

Communication

## Questions in this topic

Click on any question to view more detailed results for that question.

Sorted by Survey order ▾ First to last ▾

QUESTION › I am aware of my child's academic progress, challenges, and successes.	87 % responded favorably	-4 % compared to Spring 2015
QUESTION › I know who to talk to at this school if I need help.	94 % responded favorably	-1 % compared to Spring 2015
QUESTION › My child's school communicates well with me.	87 % responded favorably	-4 % compared to Spring 2015
QUESTION › I know how my child is doing academically prior to receiving a report card or progress report.	81 % responded favorably	-3 % compared to Spring 2015

# LCAP Strategic Plan Survey Measures

## LCAP Goal #5/Action #11:

Results of the Panorama survey will yield increased favorable scores overall; specifically an increase of 5% of favorable responses as follows:

- Student survey regarding engagement and sense of belonging
- Family survey regarding challenge/rigor
- Teacher regarding technology

Survey Topic	Percent Change
<b>Engagement</b> (Student Reported)	+3%
<b>Sense of Belonging</b> (Student Reported)	+7%
<b>Rigor</b> (Family Reported)	+3%
<b>Technology</b> (Teacher and Staff Reported)	+22%**

# LCAP Survey Insights

## Student Engagement

- Overall a slight increase in Engagement (3%)
- Most notable increase in time spent outside of school day to learn more (7%)
  - Significantly lower engagement reported by SPED, EL, and socioeconomically disadvantaged students (-10 to -15%)

## Student Sense of Belonging

- Overall solid increase in sense of belonging (7%)
  - Students feeling of acceptance and belonging increased (6% and 5%)
  - Significant increase in looking forward in going to school (9%)
  - Lower overall sense of belonging for SPED, EL, and socioeconomically disadvantaged students (-8%, -6%, -11%)

## Family Expectations and Rigor

- Overall solid increase in Expectations and Rigor (7%)
  - Solid increase of parents reporting children learning from mistakes (6%)
- 

# Family Survey Take-Aways

- Most topics and questions greater than 85% favorable average response
- Areas for potential growth:
  - Communicate how students are achieving other than with report cards
  - Engage parents in:
    - What it means for their child to be successful
    - Finding ways to feel empowered to make a difference in their child's school
    - Increase opportunities to partner with schools in decisions about their child's education
  - Continue to deepen academic rigor and communicate results to parents

# Student Survey Takeaways

- Upward Trends year to year and across topics
  - Topics below 80%:
    - Sense of belonging
    - Learning environment
    - Engagement
    - Learning strategies
    - Interest in subject
-

# Student Areas For Potential Growth

## Sense of Belonging (LCAP)

- About half of students reported they “often” or “almost always” look forward to going to school
- 75% of student feel “quite” or “completely” accepted by other students

## Engagement (LCAP)

- Less than one third of students frequently take time outside of school to learn more about what they are studying

## Learning Environments

- Half of students report frequently receiving feedback from teachers that helps them learn
  - 60% of students report that other students are frequently willing to help their peers
- 

# Student Areas For Potential Growth

## Learning strategies

- About half of students report that they often think about which strategies to use before starting, or while working on, assignments or a project

## Interest in subject

- A little more than half of students report that they frequently find things they learn in class interesting
  - Approximately a quarter of students report that the behavior of other students make it “frequently” or “almost always” hard to learn
-

# Teacher Survey Takeaways

- First year Staff and Teacher data disaggregated
  - Topics near or below 80%
    - Technology
    - Learning Environments
    - Support
    - Leadership
-

# Teacher Areas For Potential Growth

## Technology (LCAP)

- About 60% of teachers agree that they have been provided with sufficient professional development on integrating technology

## Learning Environments

- About 60% of teachers agree that:
  - The professional development they received this year improved their practice and was tailored to their students' needs
  - Staff morale is high at their school

# Teacher Areas For Potential Growth

## Support

- About 70% of teachers agree that they have the learning resources they need to implement the Strategic Plan

## Leadership

- About 70% of teachers agree they have a good rapport with District administrators

# Staff Survey Takeaways

- First year Staff and Teacher survey data disaggregated
- Most topics and questions greater than 85% positive average response

## Area for Potential Growth:

- 80% of staff reported they have been provided with sufficient opportunities for professional development on technology
-

## NEXT STEPS with Survey

- Sharing with other stakeholders
- Deeper Analysis in any Areas Identified by Board
- Bring back to Board in April/May

**Thank You!**

# Additional Information
